## For the Best in Society-

### Some table manner don'ts

1. Chewing with your mouth open or talking with food in you mouth
2. Slurping, smacking, blowing your nose, or making any other unpleasant noises
3. Cutting up all you food at once

## Tips of the Trade-

### Get-together location

- Location, location, location.
- Guests may or may not attend your get-together based on where is it. It may be too far for them to attend.
- Include directions, preferably a map, as you don't know which direction your guests are travelling from.
- Use building names, room names and landmarks for better descriptions.
